COMMENTS:

This bill would make changes to various fees and funds.

The second July 27, 2003, amendment removed the provision that would have suspended awarding of the Natural Heritage Preservation Tax Credits through June 30, 2004. As a result, this bill no longer impacts the Franchise Tax Board programs or the collection of state income tax revenue.

The first July 27th amendment and the July 24, 2003, amendment made no changes to the proposed suspension, and instead made changes to other provisions in the bill that would not impact the department.
